“ At **AG Group**, we value the importance of sustainable development for a resilient future. We have strived towards creating a sustainable future by putting our ingenuity forward for a better today & tomorrow. Our future-ready mindset distinctively positions us to capitalize on transforming market trends. We apply our State-of-the-art expertise to develop sustainable future-proof cities and environment.

Our team of experts work closely with the clients to develop specialized sustainable solutions that are tailored to their specific needs and goals across various sectors with our diverse range of services. Our data, market insights and overseas collaborations provide robust strategies to achieve results that bring positive impact. Despite the forever evolving landscape, our commitment to expand the horizon towards a sustainable future remains resolute.

”

HISTORY

MISSION: To position AG Horizon as one of the leading Consulting Firms of India.

VISION: To accelerate the development of a company focused on sustainability.

1998

AG (Alert Golf) was established in 1998 as an end-to-end solution provider for the Golf Industry.

We added three feathers to our cap by including Tourism, Urban Infrastructure and Irrigation to our work sectors.

2008

2017

We transformed into AG Horizon Pvt. Ltd. and took flight by collaborating on Mega-Projects in the Water resources, IT, Forest, Sports and Transport sectors.

The year witnessed our offices in Six states: Delhi, Haryana, Manipur, Assam, Telangana, Tamil Nadu.

2022

2027

AG Horizon plans to expand its verticals across the country and internationally as part of its efforts to integrate sustainability into corporate transformation.

SECTORS

We work across diverse sectors, bringing best projects, with each sector working as its own independent unit. There is a wide spectrum of attributes in each vertical and we have proven track records from concept till commissioning of the projects that we have undertaken.
